

# FABIAN RULLIES FLANDERS AND PARIS-ROUBAIX

Fabian Cancellara – Winner  
– 2010 Tour of Flanders  
– 2010 Paris-Roubaix

Racing fans know them as the “Five Monuments of Cycling.” Milan-San Remo, Tour of Flanders, Paris-Roubaix, Liege-Bastogne-Liege, and the Tour of Lombardy. Racers know to win even one of them is the highlight of a career. With his victory at the Tour of Flanders, Fabian Cancellara became the only active cyclist to have won three of cycling's five Monuments, adding Flanders to his previous wins at Milan-San Remo in 2008 and Paris-Roubaix in 2006 and 2010. And he won them all on Speedplay Zeros. Speedplay congratulates Fabian and Team Saxo Bank on accomplishing the historic Flanders – Roubaix double.
