

RED FIRE

hotter than you'll ever be

If you think that a wheel equal
to your moxie doesn't exist,
maybe you need to think again.
Fulcrum® Red Fire™: thru-axle
hubs 20 mm front and 12 mm
rear, 150 mm spacing for the
rear wheel, rims 23 mm wide,
and 32 variable section spokes
front and rear.

This wheel will take you
to the next level of hot!
